Coronavirus update: New contactless services to help keep you safe. Only contacted by email. They did reply to my emails more than once. They provided extra auto information and were courteous. However the autos were for my wife and she was being to particular. Nice and friendly. Had a ton of details on the vehicle including a free CarFax. Not pushy. Nice people! They have an amazing staff, all of them gave me a good attention and also they found solutions for my credit. Thanks to their options I was able to buy my vehicle. Truck had rotten rockers and transmission made grinding noise. They were pleasant, helpful with info. I did not purchase the pictures did not show the rust or the dents. Jennifer medina was exceptional!! She didn't actually help find anything! But she responded which is awesome in my books. They were on their game no doubt. James is a very nice, straightforward guy. I did not buy the car I looked at, but wouldn't hesitate buying here in the future. My experience was great! I was browsing around for a new used car for me. I look forward to hopefully doing business shortly. I contacted them and they responded immediately But I do not want to go over to Tacoma because of the Covid. I just thought I would be better off waiting until this pandemic dies down a bit and we get that vaccine. The vehicle was ready and clean for my test drive when I arrived. Everything went without a hitch. I came back the next day to buy the vehicle and all the paper work was ready and waiting. I'm pleased with this vehicle and have had no problems at all. The dealer contacted me early the next business day. Although the car sold that day I was contacted and updated. Great correspondence. Zena response was helpful,quick and very professional but lost out on the deal by appointment 1st come 1st serve. They wanted us to come in, spec out and order the truck. He must have thought I was an idiot. I will never work with this dealer again. I have no complaints except the car I was interested in was no longer available. They have sent me other options but nothing jumps out at me. My only contact was via email. The salesman was polite and supplied all the information I asked for. I work at a car rental company at an airport, so I drive brand new cars all day long. This car is on par with these brand new cars, in my opinion. Everything about it is wonderful. The features, the handling, the styling, the utility, the mileage!. It's by far my favorite car to drive out of all I have driven! I drove this car for three weeks. I loved it. Unfortunately a guy turned in front of me without looking. My car got totaled. This car saved my life. The paramedics could not believe how much the car was squished and not me. Besides the normal symptoms of a crash, I am way better than I should be. This is one amazing car in all aspects. These cars are great on gas mileage they have a pretty good amount of room and maintenance is very low. I have owned this car for 10 years now and it has been nothing but good to me. I always took it to the dealership so anything related to maintenance and the few recalls were taken care of properly. Granted, this car is not going to win any drag races, but it is has decent pep and loves corners! Very reliable- never had anything beyond regular wear and tear in 10 years. Write a review.
